## Swimming

You might like to start thinking about getting ready for swimming in weeks 7, 8 and 9.

Girls are to have a one piece costume and a rashi.

Boys to have swimming shorts and a rashi. Try not to have big boardshorts

Caps and goggles are great. If girls can't tolerate a cap they will need their hair tied securely tied back and plaited.

## Dental Nurse Visit

On Friday dental nurse, Suzzie visited the school she talked about how to clean your teeth properly. She showed us how to scrub, circle and flick when we clean our teeth. She also talked about the effect some foods had on our teeth and just how much sugar is in things we eat and drink every day.
