

Medlow Public School

CREATIVITY RESPECT TEAMWORK

Week 5 Term 4 2017

Great teaching is explicit, engaging and enables students to experience success.

Dear Parents and Students,

As you can see on the Upcoming Events Calendar we have a very busy time ahead of us.

We will send more information home about the Swim and Survive Scheme next week, but please remember that girls need to have a one piece costume and a rashi.

Boys are to have swimming shorts and a rashi—try not to have big boardshorts.

Caps and goggles are great. If girls can't tolerate a cap they will need their hair tied securely back and plaited.

Melbourne Cup Luncheon

All families are invited to the school from 11.00-1.00pm for lunch and activities. If you haven't RSVP'd yet please give the school a call now. Leanne needs to know how many she is catering for.

Scotts Head Rugby League Gala Day

We will be travelling to Scotts Head by bus on Friday. Early pick up times will apply. Please ensure students are well equipped for a big day out. It is a great opportunity for the students to make new friends and have fun through sport. Students need to bring plenty of water and their lunch and recess. A school hat is essential.

Remembrance Day—Saturday

Saturday is Remembrance Day. Medlow students will be playing a significant part in the service and are expected to gather at 10.30am at the Cenotaph dressed in school uniform. In preparation for the day, all students have been working on a special project for the event and of course preparing their speeches.

Anna—Macksville Public School

On Thursday I went to Macksville Public School to meet some of their Yr 6 students, so I know more people next year when I go to High School.

I joined Miss Yates Yr 6 class for a maths lesson. Miss Yates showed me some different ideas about measuring the perimeter of a shape.

Then we did group dancing. We had to make up a dance in a group. I danced with Jasmine, Ashley, Bree and two other girls. Our Music was "Light Em Up".

I had a great afternoon and met lots of new friends. I hope to go there again soon. By Anna Year 6.

Upcoming Events

November

- 7th Melbourne Cup Luncheon
- 11th Remembrance Day
- 10th Rugby League—Scotts Head
- 20th Swim & Survive
- 27th Swim & Survive

- 4th Swim & Survive
- 5th Yr 7 Orientation Macksville High
- 7th Presentation Day
- 13—15th School Camp—SWRocks
- 15th Students Last Day for 2017

School Focus

Handwriting—forming upper and lower case letters correctly.

We had a great week last week in the classroom and outside. We did lots of work and then we met the 2018 Kindergarten students. We showed them around the school and helped them with some class work.

Ritchie helped us repaint the rocks under the school bell and we also had great fun with our guinea pigs.

We built towers with spaghetti and Blu-tack. That was fun, but hard. We had to be very careful.

Regards
Sarah Landers
Principal
