CREATIVITY RESPECT TEAMWORK

Week 7 Term 4 2017

Great teaching is explicit, engaging and enables students to experience success.

Dear Parents and Students,

I had a really inspiring two days at the conference in Coffs Harbour. Our small schools network did a lot of planning for 2018 around Literacy and Numeracy and how it will look in our schools. I would like to thank Melissa Mitchell our Instructional Leader who is instrumental in guiding us.

Swimming Program

Swimming starts today and so I am sure all the students are very excited about that. Anna has been asking me for about 5 weeks "when does swimming start?"

P & C Meeting

I am looking forward to meeting with our P and C team tomorrow at 2.30pm.

Assessment and Reporting

Teachers are continuing to assess and finalise school reports.

Award

Marshall received an award from Mrs Trudgett on Friday for staying on task to complete his work and for trying hard to be an independent worker.

Regards
Sarah Landers
Principal

Melbourne Cup

We had so much fun on Melbourne Cup Day. We made some pretty spectacular hats and got dressed up in our finest clothes. We had a great lunch that Leanne cooked for us. Then we had a fashion parade, played pin-the-tail-on-the-horse and had a "horse" race as well as a "horsey-back" ride.
