CREATIVITY RESPECT TEAMWORK

Week 10 Term 4 2017

Great teaching is explicit, engaging and enables students to experience success.

Dear Parents and Students,
Thank you all for your involvement at our Presentation Day. It was so lovely to see many other community members attend this special occasion.

Planning for 2018 is well underway.

Assemblies and P & C meetings will be held on Friday morning next year to fit the new timetable. Mr Simpson will be here on Fridays, so he will be able to give musical support. It seems a good idea to have P & C meetings on Friday mornings as well so parents will be at school for one event and just follow onto the next event. P & C Meetings will be from 9am to 10am, followed by the Assembly at 10am.

The first P & C meeting and Assembly for 2018 will on Friday 9th Feb. This will be a welcome to School Assembly.

The staff arrangements for next year will be as follows:

I just want to remind parents about what the students need to bring for the camp on Wednesday.

Students need to take toiletries, swimmers, rash shirts, 2 beach towels, sunscreen, 3 sets of clothes (1 in case of "accidents"), joggers and socks, thongs, 2 hats, track pants and jumper, underwear, pyjamas, torches, shopping bags for dirty clothes and wet swimmers, hair bands and brushes for the girls.

I would like to wish everyone a Merry Christmas and a safe and happy New Year.

Regards
Sarah Landers
Principal
