CREATIVITY RESPECT TEAMWORK

Week 8 Term 3 2017

Great teaching is explicit, engaging and enables students to experience success.

Dear Parents and Students,

Many thanks to all our families and the big army of Medlow supporters who donated prizes and/or bought tickets in the raffle. Congratulations on another super community effort. Terri has once again co-ordinated a highly successful event.

We raised \$482.60...

1st prize - Murray from Norco

2nd prize - Rhonda Fletcher

3rd prize - Marshall Farmer/Bruce

Fund raising effort for Reading Resources

I have organised for Laurel Wallis, a representative from Child's Play, to come and attend our P & C meeting on Thursday, 19th October. Laurel will share some reading resources with us, which we can then consider purchasing. You may like to have a look at the website.

I would also like to purchase resources for the older students - new Reading Boxes!

I hope all the dads had a great day yesterday and enjoyed the little treats we made on Friday!

School Focus

A Visible Learner is a student who

- can be their own teacher
- can articulate what they are learning and why

Medlow Masterchefs

Medlow Public School is a proud member of the Valley 10 Community of Public Schools.

SASS Appreciation Week

I would like to acknowledge the professional work that Jane and Julie do for Medlow. Both of these ladies spend time outside of their school hours contributing to the smooth running of the school. Thank you both.

Thanks also to Debbie Desmond who assists in the classroom as an SLSO, and Jenny Donnelly who looks after the school grounds, maintenance work, etc.

Pottery

Miss Wren will be in on Tuesday and Wednesday this week. She and the students will be working with clay to prepare for firing in the kiln. If any adults are interested in joining them, they will be very welcome.

New School Uniform

Terri has organised a sample uniform to be sent and Marshall is wearing it today.

Marshall: It feels really nice and I feel like a high school kid!

Willow: I think it looks great – I wonder if there is an option for skorts?

Anna: I think a new uniform change will be great for the school. The fabric looks like it would breathe and therefore be good in summer.

Remi: It looks nice.

Wren: I like the blue front because it won't stain as much.

Taryn: It's different.

Miss Landers: Marshall looks very smart. I wonder if there is a bucket hat with a draw string around the hat? Our current hats are not very practical when students are running around outside.

Miss Jane: The uniform looks very smart and seems to be made of an 'airtex' material, which should be comfortable in the hot weather.

School Camp

Students will need their own sleeping bag for camping on Thursday, 21st September.

Regards,

Sarah Landers
