CREATIVITY

There is still lots of learning happening in the classrooms each day and attendance is a legal requirement up until 19 December.

Parents must provide a written explanation in regards to non attendance within 7 days.

Thank you to the parents who phone us early in the morning to let us students will not be at school that day. We record that absence against the students attendance record.

On the back is a reminder of staffing for the next two weeks.

We have decided to do Library on Tuesdays until swimming is finished to avoid wet swimmers coming in contact with Library books.

RESPECT

TEAMWORK

School Focus

Engaging with the teacher during explicit instruction.

Healthy Eating at Medlow

We strongly encourage a balanced lunch box at Medlow. Please consider the amount of packaged food that your child consumes in terms of nutritional value and the plastic waste that it contributes to our environment.

Occasionally we have treats at Medlow and Dulcie provided a great dessert on Friday. The students loved the custard, fruit and jelly. Thank you Dulcie!

Talent Show Audition

On Friday students have the opportunity to present their talent show idea to the teachers.

Some students will then be chosen to present their act on Presentation Day.

Just a few of the great things we saw at the Museum in Bowraville on Friday.
