## CREATIVITY

## RESPECT

## TEAMWORK

Thank you to the students, families and staff who supported the Remembrance Day Commemoration. It was a lovely day and I received many compliments about the students and the way they participated in the Service.

Well done girls and boys—your school and the wider community are very proud of you.

## Cascade Excursion

Last week Taryn, Willow and Wren went to Cascade Environmental Centre. The kids from Eungai and Scotts Head went with us.

Mrs Johnson from Eungai and Mrs Lane and Ricky from Scotts Head were the teachers.

We played Spotlight at night time.  
We did bush walks. We were looking for bugs in the water and we found a yabby and two frogs and heaps of tadpoles. There were lots of ticks and leaches. We went mountain biking and Willow rang into a tree. It was a cray-cray track (ask Wren what that means.)  
There was low ropes course and it was hard and lots of kids fell off.

We had lasagne, hamburgers and curry for dinner.

We had great fun with our friends from Eungai and Scotts Head.

Thank you to Mrs Lane, Mrs Johnson, Ricky and the staff at Cascade.  
By Willow, Wren and Taryn.

## School Focus

### Writer of the Day

Supporting students to meet the writing criteria.

## Mr Fitzpatrick

We welcome Mr Thomas Fitzpatrick from the University of Newcastle. Mr Fitzpatrick is in his 3rd year of his degree and is looking forward to experiencing a small school setting. He is particularly interested in differentiating learning tasks to meet the needs of each learner.

Brodie, Eddy and Beau getting ready to "teach" Mr Fitzpatrick the "finer" points of hockey.

Good Luck Thomas.

Regards,

**Sarah Landers  
Principal**

Thank you to the students for their wonderful contribution to the Remembrance Day Service yesterday at Taylors Arm.

We had lots of fun doing pottery with Miss Wren. It will be great to see our designs when they come out of the kiln.

As I'm sure you all know we have had some very hot days over the last couple of weeks. Please make sure your children have plenty of cool drinks in their lunch boxes.

Nate and Eddy enjoyed a cook off with the hose.

### P & C News

The P & C is asking all parents for donations for their Christmas Raffles. They need non-perishable food, chocolates, nuts and any items suitable for a hamper.

They are also having a kids raffle so they need donations of toys, crayons, books, pencils etc. Each raffle will have multiple draws.

Parents are also asked to check the attached envelope.

**Taekwondo open day will be held at Taylors Arm Hall on Thursday 15 November between 5 and 6.30pm. Everyone welcome.**
