## Principal Talk

Wow we are at the end of Term 1 – how did that happen? Isn't it amazing how quickly the days turn into weeks and the weeks turn into months.

Congratulations to all the students for their efforts this term in establishing routines, setting up personal learning goals and working both independently and collaboratively. Every student has made pleasing progress in all aspects of their development – socially, physically and academically.

Many thanks to the P and C for getting the fundraising targets and plans embedded for 2018. It all takes a lot of effort, consultation and co-ordination and I appreciate that very much.

I would like to thank John Baker (our Education Director) for all his great work and wish him well in his new job. He will be replaced by Sue Brown in the new Mid Coast Valleys Network area. We look forward to working with Sue in the future.

We hope everyone has a great holiday.

Students return to school on Tuesday 1 May.
