## John O'Neill Sports Day

The John O'Neill Sports Day was a great success. We had a team of 7 who ran their hearts out all day. Thank you to our very vocal support crew - Laurie, Carolyn, Sam, Max, Dulcie and Deb who helped make it lots of fun. Congratulations to Bellbrook for winning the day and Medlow came in **second**. So to each of the seven students every event that you went in contributed to participation points.

## Healthy Canteen Meeting

Kelly and I will be meeting Clinton Gibbs from the NSW Dept of Health on Friday at 1.30pm to discuss our canteen strategy. This is part of a state wide initiative to target childrens's healthy eating.

Kelly's canteen will be running on Friday.

## Sea Theme

The classroom is looking fantastic with lots of beautiful art work so please drop in and have a look. We are putting together our next excursion to Coffs Harbour. We are confirmed for a 10.00 am visit to Southern Cross University to the aquarium and the afternoon show for Dolphin Marine Magic.

## Life Education

The Life Education Van will visit Medlow on Tuesday 7th August—Week 3, Term 3.

Attached to the Newsletter is information on the upcoming visit. Please have a look at the options and indicate what you would like to be offered for your child. We will endeavour to create a program that best meets our students and family's needs.

## School Mural

We are making great progress with the mural. Each student has designed and painted their own idea of what depicts the local area. It is bringing back lots of childhood memories for Leanne and Julie—the tyre in the willow tree and landing half in the water and half on the bank is a not so happy one.
