## Principal's Report

Welcome back to Medlow Public School for a 10 week Term.

Students will start the term by establishing new learning goals and adjusting their work areas so that they can maximise their learning time. Our highest priority at school is to get students to become self-reliant. That means that they are able to:

- Look after their own personal possessions
- Be responsible for handing in and collecting readers, homework, notes and library books
- Contribute to the school community by helping out throughout the day

This term, two students will be on the school jobs for the week. As of today, **Taryn** and **Quinten** will be on duty for our first week!

Week 1	Week 2	Week 3	Week 4	Week 5
Taryn Quinten	Wren Eddy	Willow Beau	Summa Brodie	Marshall Georgie

Our gate keepers in the afternoons will be in alphabetical order starting with: **Beau, Brodie, Eddy and Marshall**

Term 3 is always lots of fun with Education Week in Week 3 and Book Week Dress Up in Week 5.

The Education Week Theme is: Today's Schools – Creating Tomorrow's World. Our kindergarten students will leave the school system in 2030. Quinten, Eddy and Beau are going to spend the vast amount of their working life in the second half of the 21<sup>st</sup> Century. Our school is very future-focused, preparing and equipping young people with the skills, the knowledge and the capabilities they need to lead and flourish in tomorrow's world. Throughout the week each student will be filming an imovie to record a snapshot of their school life.

## School Focus

Our school focus will continue to be on writing and well-being. The focus at home should be on reading and helping your child be prepared for the school day.
