TEAMWORK

Principal's Report

10 Mindframes

All staff are working on the 10 Mindframes that lead to maximising student outcomes.

1. I am an evaluator of my impact
2. I see assessment as feedback to me
3. I collaborate regarding my conceptions of progress and my impact
4. I am a change agent
5. I strive for challenge
6. I give and help students understand feedback
7. I engage as much in dialogue as monologue
8. I explicitly inform students what successful impact looks like
9. I build relationships and trust
10. I focus on the language of learning

In Term 2 we focused on numbers 7 and 8 and in Term 3 we are focussing on number 6.

Feedback questions that we ask the students in relation to their learning are:

Where are you going?
How are you going?
Where to next?

Regards,

Sarah Landers
Principal

School Focus

Listen with your eyes and your ears.

Student Drop-off

Parents and careers are reminded that the bus zone is not a drop-off point for students and doing so can result in an offence being recorded against your licence with a loss of points and a large fine.

Students need to be dropped off in the car park and if they are late an adult needs to bring the student to the classroom or Office to be signed in.

If there is a change of afternoon routine you must advise the school by telephone or a note.

BUNNINGS FUNDRAISER - Reminder

Just a reminder to all parents that you need to contact the P & C to organise a time for you to volunteer for this great fundraiser.

Book Club Orders

Order forms are attached to the Newsletter. Orders need to be returned to school by Thursday 13th August.

School Lunches

Attached to the newsletter are some great ideas for school lunchboxes. We find that children like to eat their lunch quickly so that they can play. Simple lunches with easy to eat food that is not in packaging works best.

Term 3 has got off to a great start. Students are thinking about their roles, responsibilities and new learning.

Willow This term I am school Parliament Captain. We discussed holding a "Cain's Arcade Day". We will be working on it every Friday with Mr Simpson. I like being school Parliament Captain because I like to hear everyone's fabulous ideas to make our school a better place.

Marshall Oreo our guinea pig has died. It is very sad for all of us and Frankie has lost a special friend. The good news is that GA John is giving us a new Guinea Pig.

Wren I am very excited to be the new School Leader for Term 3. I think I will be a good school captain as I will look after your precious children. I can't wait to be able to run the Assembly on Friday 10th August. See you there!

Taryn This term I am the Library Monitor. I am hoping to get new senior fiction books and much more! Like always please bring your library books on Monday morning. If a library book is overdue for a long period of time you will be charged a fee. I am really looking forward to organising book week.

Georgie I am looking forward to reading my Dr Seuss book Mr Brown can Moo can you? I want to read part of it at Assembly. Dr Seuss is really funny.

Beau Painting with Nelli is great. I love every day at school because we get to do everything.

Summa I am looking forward to learning new things and getting better at reading and writing. I am reading Dr Seuss Green Eggs and Ham. I like this book because it is silly and who would eat green eggs and ham?

Quinten I am looking forward to learning about Gold. Do you know when gold was discovered in Australia? I do!!!

Eddy I am going to do new things with the iPad.

Brodie I like school because I get to play with friends and ride my bike.
