Principal's Report

We have come to the end of another fantastic term – it is amazing how quickly the weeks go by. All of the staff are very encouraged to see students make significant progress in their learning behaviours and their learning.

THANK YOU to all the families for supporting your child to become the very best that they can be.

Last Monday night I travelled to Coffs Harbour to attend a forum on a review of the curriculum. It was lead by Dr Geoff Masters. Essentially there were 4 big questions to consider and discuss. I took these questions back to the students and we have been working our way through the issues.

Attached to the newsletter is some further information and parents are welcome to contribute to the conversation.

Menacing Magpies

We continue to be terrorised by our magpies. However after a robust discussion in School Parliament it was decided that we need to live together and hope that the magpies can find some empathy for our students!!!!

All the best for a great holiday.

Sarah Landers
Principal

Miss Deb brought her beautiful new puppy, Ruby in to visit us last week. Ruby loved chasing balls and getting pats from the students. Miss Deb is on the mend and will be back with us next term.
