Welcome Breakfast

It was a great way to start off the week and we hope everyone enjoyed themselves. We had a lovely breakfast out under the trees this morning. Thank you to our lovely Mums who added their touch to the cereal, toast and bacon n eggs already planned.

Lights, Camera, Action

This term Medlow has been successful in securing a STEMShare Community Filming kit. This will allow students to be introduced to the skills and content development required for filming and using a green screen. This is a great project and will be lots of fun.

Learning Routines

Swimming Carnival

All Medlow students will be attending the swimming carnival on Friday 15 Feb at Macksville Pool. Medlow will be joining Eungai Public School for the carnival. The cost of the day will be \$5.00 per student which includes entry into the pool and the water slide. Student who have pool passes need to pay \$4.00 for the water slide if they want to use their pool pass as pool passes only cover the entry fee for the pool.

As we have too many students to travel on the bus it would be appreciated if some parents were able to take their children to Macksville and pick them up from the pool around 2pm.

Please complete the attached permission note and indicate if you are able to transport your children to the pool.

3 Way Meeting

Class teachers will be having 3 way meetings with students and parents in the coming weeks. We will allow for the “dust to settle” and we will then make contact with each family directly to arrange a mutually convenient time.
