## CREATIVITY

## RESPECT

## TEAMWORK

### 3 Way meeting

3 way meeting between parents, students and teachers begin this afternoon.

The roster is attached.

### Outdoor Learning Area

The students were very industrious on Friday and built three outdoor learning spaces.

### Thursday 28 Feb.

Our Director, Mrs Sue Brown, will be visiting Medlow. We look forward to showing her our new teaching and learning program and planning for 2019 and beyond.

### Green Screen with Kath Lolback—STEM Teacher

Today has been excellent. Miss Lolback has taught us how to use the film kit and the Greenscreen. It was an honour to be chosen as the film crew. Tyrese was the cameraman and Willow, Wren and I were the presenters.

Georgie, Marshall and Bailey helped with the planning.

We can't wait to show you the film.

Taryn (School Captain)

### School Focus

*Home readers and Homework books.*

### Transition to Macksville High School

On Wednesday 27 February we welcome Mrs Melissa Robertson from Macksville High School. Mrs Robertson will be getting to know our Year 6's and supporting them with their transition from Primary School to High School. The first Orientation experience is Wednesday 13 March from 4.30 to 7.30pm.

### P & C News

Thank you to the members who came on Friday. We were able to talk about planning for 2019.

Unfortunately, there were not enough members to hold the AGM. It has been rescheduled to 15 March.

The P & C will be holding a fund raiser on election day which is 23 March. We will need donations of cakes, slices etc to sell with tea and coffee. We will also be selling egg 'n' bacon rolls and sausage sandwiches, so we will need lots and lots of helpers on the day. We are planning to start at 7.30am so if you are able to help please contact Terri.

Thank you Terri.

## General Permission Note

There are still a number of families who have not returned the General Permission to Publish and Disclose note. Please return these notes tomorrow so the changes can be made to your child's records.

Please remember that you need to give us the contact details of a person other than mother or father of students in case you are uncontactable.

## Bus Timetable Reminder

I have asked Jenny to give us an updated bus timetable.

She has asked me to remind parents that these times are approximates. She indicated that parents need to be at the bus stop at the time indicated below. The driver will wait until the time shown below and then leave. On the afternoon run the driver will wait at the bus stop and if parents are not there students will either be bought back to school on the Lower Taylors Arm run or kept on the bus on the Burrarpine run.

Jenny asked me to remind parents that at times she gets “caught” behind the milk tanker or leg trucks and this will delay the bus.
