CREATIVITY

RESPECT

TEAMWORK

The grounds are looking fantastic, the art displays in the hall are fabulous and the high quality engagement of most students is clearly evident. Thank you to all staff and students for working together to achieve more.

Friday 17 Assembly

This Friday we will be having an Assembly at 9.10am followed by The Great Debate on Camping. Teams will be working on their persuasive arguments in class so we are looking forward to watching our debating teams in action.

Our Director, Mrs Sue Brown will be here for the morning. It will be a wonderful opportunity to show case the talents of the students.

NAPLAN

This week students in Year 3 and 5 will commence their NAPLAN assessments. All tests except for Year 3 writing, are attempted on line. All the very best to Marshall, Sapphire, Taj, Mathew and Blake.

Cross Country

Congratulations to Georgie, Tyrese, Rylee and Taj for competing in the Cross Country at Bowraville on Friday. It was a tough race so well done to the students. Thank you to the families for making the effort to take their children out to Bowraville to compete.

School Focus

Using Technology for Learning.

Well Being—Strategic Direction 2

Purpose To ensure a school wide, collective responsibility for school learning and success which is shared by parents and students. Planning for learning is informed by sound holistic information about each student's wellbeing and learning needs in consultation with parents and carers.

The above information is from our School Plan Document.

All students and staff are working on a common language of "red and green choices". This simple system helps students to identify their decisions and reflect on their consequences.

A red choice is when a student makes a decision that will impact negatively and a green choice is when a student has made a decision that will have a positive impact. Those students who are not engaged are reminded of their red/green choices, personal learning goals, being stuck in the learning pit and our high expectations of achievement.

Permission Notes

Personal Development Day

Years 5 and 6 have been invited to attend a Personal Development Day at Willawarrin Public School.

World Ocean Day

The whole school will be attending World Ocean Day at Scotts Head.

Please return these notes as soon as possible.

Reminders

Please make sure your children have a school hat with them every day.

ALL absences need to be explained by either phoning the school on the morning of the absence or sending a note with your child the day they return to school.

Please be reminded of the homework schedule for each class.

Ms Landers – due each Friday

Mrs Trudgett – due each Tuesday

Woolworths Earn and Learn

Medlow will be participating in the Earn and Learn program again this year. Please send your stickers to school so they can be added to the sheets.

Let's see if we can beat last years total.

Regards,

Sarah Landers
