Term 3 Week 3

Monday 5 August 2019

CREATIVITY

The next 3 weeks are very busy with lots of events happening at a school, local and national level in education.

This week is **Education Week**, next week is **Science Week** and the week after is **Book Week**!

With this in mind, we thought it was best if we combined all of those things and celebrate together as a school community on Thursday 22 August.

This week the students will design "The Day" to incorporate the presentation of their learning and a BBQ lunch.

A flyer will be sent home later in the week to advertise the event.

RESPECT

TEAMWORK

School Focus

Student voice to shape our school.

Athletics Carnival

Well done to all the students who participated on Friday. The students had lots of fun competing, meeting up with old friends and making new friends.

A super congratulations to our relay team who have qualified for the carnival in Coffs Harbour.

A big thank you to Matthew and Blake for stepping in to cover Taryn and Ame.

Education Week

This year the theme for Education Week is a celebration of **Student Empowerment** and how we as a school, and as a system, build and develop our student's skills.

What skills do they need in order to have and express a voice during their educational journey and as an engaged global citizen? Having a voice opens up a conversation for clarity, enquiry and also explores possibility.

Student voice is nurtured, modelled and in many cases, scaffolded and taught in our classrooms every day. A culture of high expectation and respect, empowers students to build a sense of purpose, self-value and belonging.

The collaborative and independent learning that happens within the classroom, spills onto the playground, into homes and the wider community.

Friday Fun Day at Scotts Head

We had so much fun on Friday. We ran up the lanes, we jumped in sacks, we carried eggs on our spoon, we hurdled over hurdles, we crawled under nets, we carried heavy balls, we jumped onto a high mat and we tied our legs together for 3 legged race and we met new friends.

We had the best day ever!

By Evan and Quinten.

Reminders

Please remember that Monday is Library day for both classes.

Art folders and work portfolios need to be returned to school as soon as possible.

Congratulations to Wren, Willow, Blake and Matthew who won the Small Schools Relay at the Nambucca District Athletics Carnival on Friday. Congratulations also to all the other students who attended the carnival to represent our School.

Artists of the Week
Bailey and Blake.

Just a few of the
fun activities from
the Mini Olympics
on Friday.
