Term 3 Week 4

Monday 12 August 2019

CREATIVITY

RESPECT

TEAMWORK

Science Presentations

Congratulations to all the students for their wonderful moon and buggy presentations.

It was a delight to see the culmination of 2 weeks homework (thanks for your help families) and then watch each student present their creations. We were equally impressed with the way the students implemented the marking rubric and how honest and fair they were.

On Thursday Mr Simpson organised a fantastic rocket launching experiment. The students will be able to use this practical activity as a stimulus for their writing this week.

Many thanks to Mrs Hullman for all the amazing visual arts work. The display cabinets look fantastic.

Tuesday—Pyjama Day

Willow and Maddi have organised the flyer about Asthma Awareness Day.

It will be fun for the students to wear their pyjamas whilst at the same time learn how to manage asthma.

White Ribbon Day

On Friday I attended a White Ribbon Workshop at Nambucca Heads High School, where all the Valley 10 schools are wholeheartedly committed to this cause.

Today we began our journey with each person tying 3 white ribbons at various places throughout the school.

School Focus

Using technology to support our learning.

Yarrahappini to Killiecrankie Biosecurity Project

This Friday from 9-11 we will be spending the morning near Tailors Arm Oval helping to improve an area of land. Students will be;

- * planting lomandra
- * identifying and removing weeds
- * identifying frogs and recording information
- * re staking recently planted eucalypts and rainforest species

We will walk from the TA bus stop to the site and meet with Tom McIndoe (Landcare Project Coordinator) and Alex Currin (Working Options).

On the permission note can you please indicate if you can help with transporting the students back to school in time for lunch at 11.00am.

All students are to wear:

- * Sturdy footwear – boots/ rubber boots/old joggers
- * Long pants and long sleeves
- * Jacket/jumper
- * School Hat

Please pack their school uniform as they need to change out of their clothes when they get back to school.

Homework

Homework books will be sent home this week so it will be appreciated if we can return to the same routine as last semester.

MS Landers class:

Homework and readers to go home on Monday and to be returned on Friday

Mrs Trudgett's class: Homework in handed in each Tuesday and will be taken home each Wednesday.

Also remember that Monday is Library day and all students need to return Library books in the Library Bag provided by the school. Each student has been given a Library bag and it is their responsibility to look after it.

Education Week/Book Week Celebrations

Next Thursday 22 August we will be celebrating Book Week. The theme is "Reading is my Superpower". All student's are encouraged to dress up as a superpower character.

Day and Night art with Ms Clogan.

Just a few of the activities on Thursday.
