Term 3 Week 9

Monday 16 September 2019

CREATIVITY

RESPECT

TEAMWORK

Bushfires

We have had a "call out" from our friends at Dundurrabin and Hernani Schools up on the Dorrigo Plateau to help raise funds for their school families. The student council will discuss fund raising ideas at their next meeting.

School Councillor

We are delighted to welcome Mrs Brooke Farnsworth to Medlow as our new School Councillor. Brooke has worked at Medlow in a Learning and Support role and therefore she is already familiar with our school context. Brooke will be at school every 3rd Tuesday for the morning session starting tomorrow.

Life Education Van

The Life Education Van visit that was scheduled for this week has been postponed until next term.

Student Awards

Congratulations to Taryn and Quinten who received awards last week.

The awards were for;

Taryn for being willing to improve her art attempts and having another go from Mrs Hullman.

Quinten for drawing a great "shaking" dog after watching a video of Iris Scott finger painting "Shaking off the Blues" from Mrs Hullman.

School Focus

Consolidating maths concepts.

OOSH Survey

Thank you to the 2 parents who returned their OOSH Survey. Please complete the survey and return it to school tomorrow so we can see if there is enough interest to make this worthwhile.

Boat Safety

On Friday the Boat safety Representatives from RMS visited our school to teach us about boat safety. They stressed the importance of always wearing a life jacket when you are in a boat so that you are always prepared for an unexpected emergency.

They also explained how to choose and fit the correct sized life jacket and how to check to see if it is in good condition.

It was really interesting to be reminded of always being safe near or on the water.

By Taryn.

We had lots of fun learning how to fit a life jacket and how important it is to wear one on or around the water.
